

Manage your health with Patient Fusion

Are your lab results in range? Forget how to take your medication? Check your lab results, diagnoses, medication instructions, and more online — anytime with your patient portal.

Log in to the patient portal

Once your doctor invites you to the patient portal, follow these steps to access your records:

1. Look for an email from Patient Fusion and click on the button in the email to create your account
2. Register with the PIN provided by your doctor or the phone number you have on file with your doctor
3. Get access to your health records

Send a secure message to your doctor

Go to Messages on the left sidebar, click New Message, select your provider, then send your message.

NEED AN EMAIL ADDRESS?

If you don't have an email address, you can use your caregiver's email address. You can also get a free email address from Gmail.com, Yahoo.com or Hotmail.com.
